April 25, 2008

Marlene H. Dortch, Secretary
Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Washington, DC 20554

VIA the ECFS

Dear Ms. Dortch,

On April 24, 2008, Carl R. Stevenson, President and CTO of WK3C Wireless LLC, met with Julius Knapp, Chief of the Commission's Office of Engineering and Technology, and members of his staff and other Commission staff, including Allan Stillwell, Karen Ansari, Ahmed Lahjouji, Ira Keltz, Sarurbh Chhabra, Robert Weller, Rashmi Doshi, Tom Philips, Bill Hurst, Steve Jones, Hung Le, and Bruce Romano.

The purpose of the meeting was to advise Mr. Knapp and staff of the current status of the developing IEEE 802.22 and IEEE 802.22.1 Standards and to answer technical questions posed by Mr. Knapp and staff regarding the direction that these standards are taking.

While Mr. Stevenson serves as the Chair of the IEEE 802.22 Working Group, it was made clear throughout the presentation that information provided, while presented in good faith and believed to be accurate and factual, was presented in Mr. Stevenson's individual capacity as a knowledgeable participant and expert in the subject matter, not in an official capacity, and represented his personal assessment of the status and developing characteristics of the Draft Standards, not an official position of the IEEE 802.22 Working Group.

Pursuant to the Commission's rules, a copy of this notice is being filed electronically in the above-referenced docket. If you require any additional information please contact the undersigned.

Carl R. Stevenson
